PROPERTY OWNERS ASSOCIATION

Architectural Control Committee Builders/Contractors Expectations

Checklist and Compliance forms, Deposits and Permits must be submitted before construction begins.

The Architectural Control Committee (ACC) must approve the Home and Septic Plans and sign the checklist before construction begins.

A check in the amount of \$1,500.00, a refundable security deposit, must be submitted to RCPOA before construction begins.

Construction start date must be confirmed with the ACC 5 days prior to construction is to begin.

Temporary Builder codes will be issued upon confirmation of construction start date.

Once construction on the foundation starts, the builder will have nine months to complete the project.

Builder and sub-contractors may work on site
Monday-Friday from 7:00AM to 8:00PM
Saturday 10:00 AM-6:00PM
No work will be allowed on Sundays

Under no circumstances, is construction allowed for anything that was not approved to include fences, driveway extensions, etc. Any variance to the original approved plan must be approved.

Builder must install culverts prior to setting of foundation forms or installation of foundation piers.

Builder must provide at least one porta can that is serviced at least once weekly.

Builder must provide a dumpster or enclosed area for construction debris and trash. Builder and sub-contractors must not place personal trash into dumpsters or enclosed trash area.

Debris must be kept to a minimum. Keep in mind, on windy days, trash and debris may be blown around and is the responsibility of the builder.

Under no circumstances are the builder or sub-contractors allowed to use other homeowners, water, power or other utilities.

The builder or sub-contractors may not drive on, park, place material or trash on adjacent properties.
